**REFERENCE: JOLENE MARTIN- MORGAN**

July 2009

To Whom it may concern:

I had the Privilege of working with Jolene on the live opening of Lion King South Africa.

With very little time to rehearse and almost no way of planning who would arrive when and where, Jolene had to fly by the seat of her pants!

She handled it all excellently and was able to multitask; interviewing high profile celebrities and politicians while we spoke in her ear, warning her of who was appearing next on the red carpet.

Looking poised and beautiful, remaining calm and in control throughout the evening, she remembered exactly what she had to say to whom, and the entire live broadcast went without a hitch, resulting in a huge success.

We would work with her again anytime.
